FUTURE PERSPECTIVES AND CRITICAL REFLECTIONS ON RESEARCH IN ARTS FOR THE MENTAL HEALTH OF CHILDREN AND ADOLESCENTS

This one-day conference will address the mental health of young people and the contribution of the arts. The aim is to raise awareness of this topic in Austria and internationally, and to learn from best practices and current developments globally. The conference will feature leading experts in the field as presenters and discussants. The event will be highly relevant for practitioners, artists, students, medical doctors, policymakers and researchers, who are interested in high-quality research and cutting-edge discussions on the intersection of arts, science and medicine.

Speakers and Discussants:
Members of INCAAHR, Andreas Bernhofer, Katherine Boydell, Stephen Clift, Nicole D'Souza, Daisy Fancourt, Tasha Golden, Nicola Holt, Anita Jensen, Vicky Karkou, Lisa Mayer, Valerie Oberleithner a.o.

Cooperation partners: Salzburg Global (Health and Education Programme), the International Network for the Critical Appraisal of Arts & Health Research (INCAAHR), SIAM – Salzburg Institute for Arts in Medicine ····· Sponsored by: Brahms Billroth Stiftung | Dreyer Stiftung | Salzburg Institute for Arts in Medicine (SIAM) ····· Contact: InterMediation@plus.ac.at | +43 662 8044 2380 ····· Event language: English ····· For online registration, see website: w-k.sbg.ac.at/intermediation/veranstaltungen
